From: Bedford Public Works Dept.

To: All Residents

Re: Public Notice to all residents regarding Road Paving in Bedford NY for the period beginning Monday, October 25, 2021

The Town of Bedford plans on several days of road paving. Work will begin Monday, October 25, 2021 and last through Friday, November 5, 2021 (inclusive.) We will NOT be paving Saturday, October 30, 2021, Sunday, October 31, 2021 and Tuesday, November 2nd (Election Day) .

Roads to be paved at this time include:

- Beaver Dam Road (from Harris Road to the Bridge over the river by House #125)
- Huntville Road (from New Street to Cherry Street)
- Hampton Place
- Griffen Avenue
- Rome Avenue
- Trudy Lane
- Peters Lane
- Brook Farm Road East
- Kilborn Lane
- Rustling Lane
- Train Station Parking Lot #1 in Katonah (off of Jay Street.) The North half of this lot.

Commuters could experience temporary disruptions to traffic and access as paving operations commence. Residents are asked to refrain from parking on these streets as paving proceeds. Residents are also asked not to put out leaf bag, etc. out on the pavement for pick-up prior to paving as it will impede paving progress.

The precise scheduling of work depends upon weather conditions and the proper operation of paving equipment. Therefore your patience and understanding are appreciated. Keep in mind that it is possible that rain events or paving equipment issues may push back the paving schedule a day or two. Paving will be preceded by road milling and associated key cuts to the intersections and to some driveways where key cuts are considered beneficial.

If you have any further questions regarding this matter, please feel free to contact Bedford Public Works Department at 914-666-7669.
